# Join in the fun!!!!

Holiday Ventures is a school holiday activity program for children with either a physical and or intellectual disability aged 5 – 18yrs that are restricted to services within the community. The program includes a combination of fun Community outings and Centre based activities encouraging all children to participate at their own level of ability.

All children are provided with a safe secure and supported group setting. The program is mainstream focused.

## When!

School holidays – Program currently running 3 – 4 days per week (days vary)

9.00am – 3.00pm

## Cost:

\$5.00 per activity (may vary)

**All referrals welcome - for more information contact the Co-ordinator.**

**Please note children are not guaranteed a placement every school holidays.**
